

Logging into Moodle as a Guest

Guest access- guests may view material posted by teachers and students, but may not edit any content

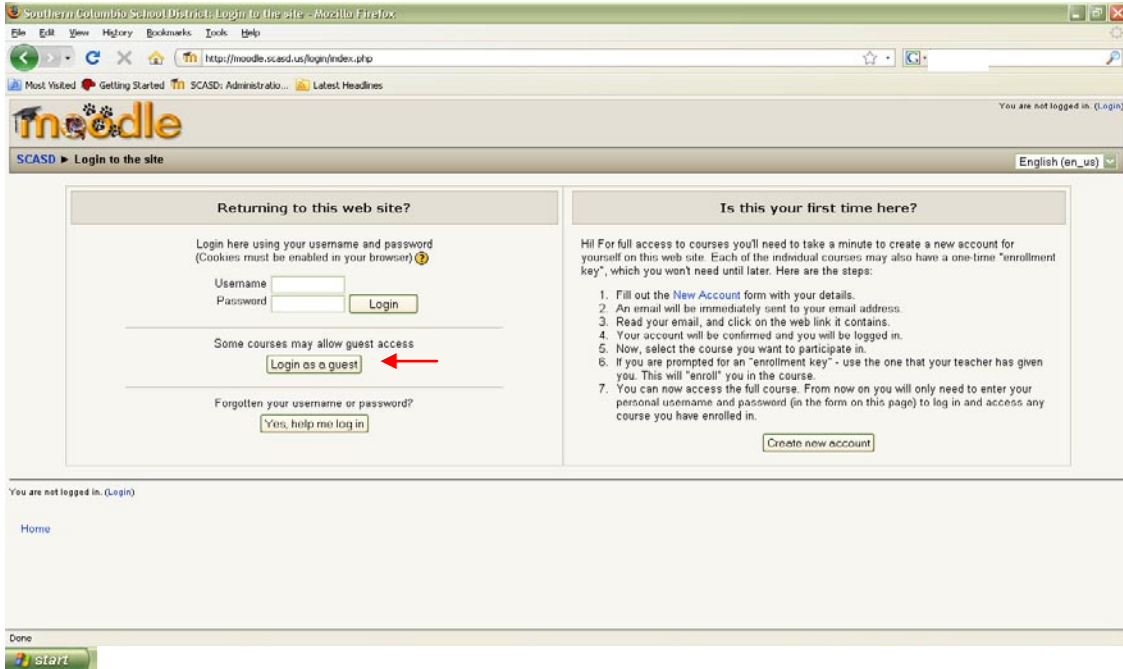

1. Open an internet browser and type in the following address:
<http://moodle.scasd.us> . You will get a screen that looks similar to the one below.

2. In the top right-hand corner, click on “Login” (see the arrow in the above picture).

(over)

3. The next screen will look similar to the one below. Click on “Login as a Guest.”

4. From there, you will be taken back to the main page where you click on individual teacher’s names to view their pages. The top right-hand corner should now say “You are currently using guest access.”
