

## Enrolling in Moodle

1. Open an internet browser and go to <http://moodle.scasd.us> . You will get a screen similar to the one below.

The screenshot shows a web browser window displaying the Moodle website for Southern Columbia School District. The browser's address bar shows the URL <http://moodle.scasd.us/>. The page features the Moodle logo at the top left, a login link in the top right, and a list of course categories. A calendar for August 2008 is also visible on the right side of the page.

2. In the top right-hand corner, click on "Login"
3. The next screen will look similar to the one on the next page. Your username and password are the same as you use to log into the school network.

4. From there, you will be taken back to the main page where you click on individual teachers' names to view their pages. The top right-hand corner should now say your name.

### To Enroll in a class:

1. Click on your teacher's name.
2. Click on your class.
3. On the left -hand side of the page there is an option that says "Enrol me in this course." (note: enroll is spelled with one "l" as this is a European product)
4. Click "yes" to confirm that you would like to enroll in this class.
5. Click on "SCASD" in the top left- hand corner of the page to return to the teacher list.
6. Follow the same procedure for each of your classes.
